OUR TRACTION YOUR PERFORMANCE

*MaxiTraction tyres only. All other Firestone agricultural products from 5% APR (special offers available, see website).

Details available from participating dealers and Bridgestone AG Finance, a trading style of Bridgestone UK Limited and authorised by the Financial Conduct Authority to facilitate fair terms for you with third party finance companies. Only qualifying Firestone and other group member new products are considered for leasing over 24 months subject to status checks and approval by the contract provider. Rentals are subject to VAT and calculated on the cost of the end sale price excluding VAT less any deposit plus calculated interest divided evenly over 24 months payable from commencement. No further payments will be necessary to retain products upon satisfactory completion of lease, and no initial or final charges are currently levied. As a representative example, a set of Firestone Performer 85 tyres financed at 5% APR and costing £5300 excluding VAT plus interest of £257.20 totalling £5557.20 is paid over two years with a monthly rental of £231.55 plus VAT. Availability may be withdrawn at any time before the offer closes on the 31/10/2017.
